

THE MINNESOTA RESORT & CAMPGROUND COMMUNITY WELCOMES YOU!

I Z A T Y S
GOLF & YACHT CLUB

For many years, Izatys (pronounced eye-zatees) has been a favorite vacation destination. Our 500 acres on beautiful Mille Lacs Lake is the perfect place to get away from it all - but not too far away. It's hard to believe, but Izatys Golf & Yacht Club is only 90 miles north of the Twin Cities. Whether you come for a family vacation or a business meeting, you can count on comfortable accommodations, excellent facilities, and an attentive, courteous staff.
