The <FI-name> card...

faster and more fluent transactions, safer than using cash, more convenient than writing checks, and accepted at millions of locations worldwide. Start using your new debit card today!

FAST TO GET YOU ON YOUR WAY

We'll help you speed through the checkout and get on with your life.

- Just swipe your card, press credit, sign the receipt and the transaction is complete.
- You can also enter your Personal Identification Number (PIN) to complete a transaction if you need to get cash back.
- Either way, the purchase amount is always deducted directly from your desired checking account quickly and efficiently.

FEEL SECURE WITH SAFETY BUILT IN

You're always protected with added security features so purchases can be made with confidence.

- No need to worry about carrying around large amounts of cash, and your card can be cancelled immediately if it's ever lost or stolen.
- When you press 'credit' at the keypad and sign for your purchase, your transaction is protected by Zero Liability.*
- Fraud monitoring measures are automatically built into your card and expertly managed by Elan Financial Services.

CONVENIENCE AND EASE AT YOUR FINGERTIPS

Handy, accessible and flexible. Whether you're making a purchase at a grocery store, gas station, retail outlet, restaurant, doctor's office, pharmacy, through a catalog or purchasing online, your <FI-name> card is the simple and easy way to pay for purchases big or small.

And, with Automatic Bill Payment, you can make certain that bills are paid before they are due.

- You have complete control over when and how your bills are paid.
- Set up automatic payments once and relax knowing that your bills will be paid on time.
- Perfect for monthly dues, fees, utilities, mortgage payments, insurance premiums and more.

Trust the <FI-name> card.
We'll always be there when you need us.

* With zero fraud liability, you won't be responsible for unauthorized purchases if your card or its number is ever lost or stolen. Eligible transactions include most purchases made with your card that do not require a personal identification number (PIN). Zero fraud liability does not apply to ATM transactions, to certain PIN transactions or certain commercial card transactions. U.S.-issued cards only. Cardholder must notify issuer promptly of any unauthorized use. Certain conditions and limitations apply.
